Heads-Up: Inside ERDC Is Moving Soon!

The URL to get to the ERDC Intranet will be changing to <https://erdcinfo.erd.usace.army.mil> (note the s in https) due to Army security requirements. Please keep an eye out for email notices about the final implementation of this. When this occurs you will need to: 1) Use the new URL <https://erdcinfo.erd.usace.army.mil> to get to the Inside ERDC Intranet. The URLs to all web pages on the ERDC Intranet will start with https: and not http: as they currently do. 2) Install or accept the security certificate on your PC in order to avoid annoying, pop-up certificate warning boxes. Directions on how to do that will be available on the ERDC IM web site. 3) Change any bookmarks to the new URLs.

More information will be forthcoming as the certification process is finished. POC for this effort is Nancy Greeley.
